Presentation: Title: Strategies to Help You Finally Finish (or Start) Your Book

Writing a book can be very intimidating. Whether it's a picture book, a children's novel, a memoir, or a high fantasy novel, there are a million different reasons why it's incredibly difficult to finally finish it. Sometimes, getting started is the worst part. Lydia Kang is a multi genre, award-winning best selling author of young adult, literature, adult non-fiction, historical fiction, Star Wars, and Disney fiction, that includes over 13 books. She will discuss all the different techniques she uses to finally get to the finish line, or deal with that daunting first page.
